Rehearsal Sunday was AWESOME! It went so smoothly. Just a few final notes before our FINAL REHEARSAL!

- 1.) Please be sure that your tan tights are BLOCH Light Tan. I know it seems trivial, but different tights have very different color tones and some are very orange and some more brightly toned. On stage (Disney) as well as Dina and I expect us to be professionally costumes and every detail matters.
- 2.) 1/2 up 1/2 down Hair. Please try to take a small amount of hair (from the ears upward) into the 1/2 up portion of the style. It's main purpose is to get the frontal portion of the hair away and out of the face. Some dancers on Sunday had too much pulled up and it looked like "you missed the back" in your ponytail. I told some of the girls this at rehearsal, but I wanted to make sure the moms also knew.
- 3.) I'm on the list of "Flagged Callers" to Disney as of Sunday afternoon. Just kidding of course :-). But I've called them multiple (like 20) times about our performance time and they keep calling me back when I'm not near my phone or whatever. I'm planning on trying again Tuesday AM...fingers crossed. I do know our show is Monday 3/5 if that helps anyone. The time is still to be determined.
- 4.) Please be sure to Thank Miss Debbie, Miss Jennifer, Miss Callie and Miss Toni for their help on Sunday. Miss Misti will also be back stage as our final dresser during this Sunday's rehearsal as well as the actual Disney Performance. Thank her too ;-). Without their help you kids would be disheveled and possibly half dressed. They are invaluable to our production running smoothly.
